H

A large, dense, abstract pattern of small, overlapping, irregular shapes, resembling a textured surface or a complex, noisy image. The pattern is composed of many small, dark, irregular shapes that are densely packed together, creating a complex, noisy texture. The overall shape of the pattern is roughly rectangular, with some irregular edges. The pattern is dark in color, with some lighter areas where the shapes are less dense. The pattern is composed of many small, dark, irregular shapes that are densely packed together, creating a complex, noisy texture. The overall shape of the pattern is roughly rectangular, with some irregular edges. The pattern is dark in color, with some lighter areas where the shapes are less dense.
